Who we are?

Three Best Rated[®] is the brainchild of our founder, which he founded in 2010 after a very frustrating experience finding a contractor to fix his garage. He knew there had to be a better way to connect customers with the best, local businesses.

Three Best Rated[®] was created to bridge this gap. We use an extensive 50-point inspection to determine the best businesses. Every business is independently verified by our employees to ensure the accuracy of our listings.

Our Mission

Three Best Rated[®] makes it easy to connect the best businesses and customers. We will never charge businesses to be listed and we will never require sign-ups or payments.

Our Vision

At Three Best Rated[®], we don't see our listings as just a bunch of businesses. We see experiences. We see Three Best Rated[®] as saving someone's life, helping immigrants learn their new city, or building memories with loved ones.
